### From Your Interim Pastor :

“More than that, we rejoice in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope. . . .” Romans 5:3-4

Endurance is a good word for the situation we're in. I could be speaking about Good Shepherd being in a prolonged interim situation----or we could be thinking about our pandemic which seems to show no sign of letting up anytime soon-----or I could be referring to the tensions in our current political climate where there is so much adversarial tension and a near stalemate in Congress. Some of you are also facing personal situations that have required incredible endurance. It was so good to see Frank Wilson at church on June 21 after so many months of medical challenges. Others of you have your own challenges.

Endurance is part of what we do as people of faith. We know that all these things are in God's hands. Our prayer and our daily task is to keep the faith, to do the things that are the marks of a Christian believer, to look with hope even when things seem pretty desperate. For those who came to church the first Sunday we gathered in person, I was so impressed with your willingness to comply with what your council had laid out as guidelines to keep everyone safe. A few didn't want to wear a mask, but kept extra social distancing out of respect for others. In discussion after worship, some felt it would be much easier to hear and understand me if I was not masked. That would have been possible since I was 10 feet or better from anyone during the actual service, however, I wanted to model the behavior we were asking of everyone. Leaders lead by example as well as by words. We'll continue to refine how we do worship over the next weeks.

Our current world situation could lead many to be depressed. If you are feeling down, be sure to reach out to friends, family, or your church family. We need to help one another so that our suffering does produce endurance, which the scripture says brings character, and in turn yields hope. Together we can look forward to better days ahead----and to making the most of the blessings we have today.

## Financial Corner:

With five months of 2020 behind us, we are thankful to say that our finances are doing well. Despite the downturn of our economy, and the complete change in how we are being “churched” during these uncertain times, your faithful gifts to Good Shepherd are allowing us to continue our ministry, and to build our reserves.

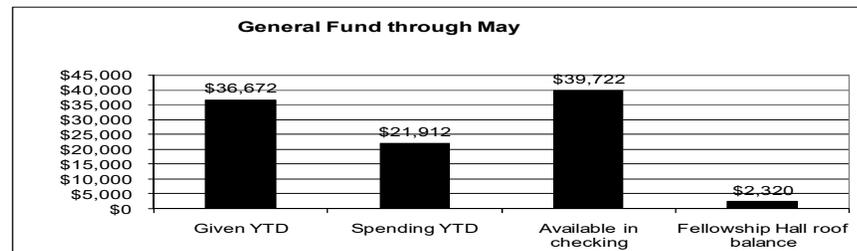

I’d like to mention just a few highlights. With five months of the year complete, we are well within our 2020 Spending Plan for Ministry. With the future unknown expenses for our properties, this is a very good place to be. We received \$535 during the month toward the **Cristo Rey Abundance of Grace** appeal. That money will be sent to the SC Synod in honor of **Bishop Herman Yoos** on his upcoming retirement. We continue to receive gifts to the Wallace Fund to pay down the debt on the **Fellowship Hall roof project**, which is now reduced to about \$2,300. And, we have awarded the contract to remove the damaged **oak tree** from the back yard of the parsonage for \$1,700.

Thank you all so much for your continuing support of the ministry of Good Shepherd.

Until next month: peace, joy and good health.  
Kevin
