## From Your Interim Pastor :

I keep hearing people ask, "When will we return to normal?" The real question might be what is normal? Good Shepherd hasn't had anything near "normal" for months now. And I don't think that will change any time soon. I do expect us to be able to re-open the church in the near future. But, much of that will depend on how we are willing to move forward with appropriate precautions. While the number of virus cases may be starting to decline and has never been dramatic numbers in the Walterboro area, we still have no known treatment and inadequate testing in place. Until those things are in commonly available, we will have to proceed with social distancing practices and very careful thought to whatever ways we gather.

Since I also pastor at St. John's in Beaufort, I have experienced death due to Covid-19 and the disruption of members needing to quarantine. None of us want to see any of our members and good friends face those circumstances. And let's be honest----a significant number in our community fall in that high-risk profile. At the same time, we all yearn for the opportunity to be back together face to face. We know that our Food Bank recipients need us. We know that we are stronger and better together in our fellowship. And who doesn't want to be able to feast on Spaghetti, BBQ, or those other luscious goodies our women and men cook up?

Your Executive Committee has determined that we need to continue what we are currently doing at least until mid-May. We're watching for the 2 factors cited by the White House team----a reduction in reported cases for 14 consecutive days and significantly increased testing. In the meantime, we'll continue to offer what we

have been doing along with continued contacting to be sure everyone is okay. Let's hope the time passes quickly and we all remain safe and healthy.

Even with the limitations in place, spring in the low country is a favorite time of year for me. The whole of creation comes alive, giving testimony to the resurrection all around us. It seems like something is blooming all the time. The temperatures are magnificent this time of year. Remember, I spent 36 years in Minnesota where spring lasted 2-3 weeks! Yes, it will get hot again----but I plan on never again going outside to a minus 30 temp. It seems to me that we can either consider our present situation as a problem or an opportunity. I prefer to think of the later. My wife and I have had wonderful quality time together and we've also allowed one another to have our own time. We've also had long talks with loved ones, more frequent than normal, which has been lovely. When we're back together I hope many of you will have some lovely show-and-tell things to share.

In the meantime, give thanks for each day----pray for all those who need our support----and continue to bless one another with your well wishes and graceful living.

*Pastor Craig*

## Sunshine News :

**The Good Shepherd Women and the Lutheran Men in Mission** will not be meeting in the month of May. We hope that both groups will be able to meet in June.

**If you would like to place someone on the prayer list** that is printed in the bulletin, please fill out a prayer request form, found in the narthex, and drop it in the offering plate or give it to an usher. The prayer list is updated every three months. You may also email your prayer requests to [thewickers@lowcountry.com](mailto:thewickers@lowcountry.com).

**The Sanctuary Candles for the month of May** are given to the glory of God by Shannon and Billy Guess in honor of their twenty-sixth wedding anniversary.

**\*\* Note:** The cost of Sanctuary Candles is \$20 per month. Please place a check in the offering plate to Good Shepherd Lutheran Church designated “Sanctuary Candles”.

**The loose and special designated offerings for May** will support the **Cristo Rey Mission Congregation “An Abundance of Grace”** appeal. Please take time to read the letter below from Bishop Herman.

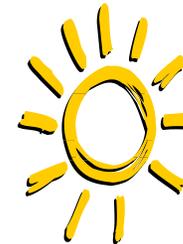

Dear brothers and sisters in Christ,

Imagine your hands helping to lift three framed, heavy wooden walls for the new Cristo Rey sanctuary, along with 35 Latino brothers and sisters in Christ. I was there on November 24<sup>th</sup> when together we lifted the first three walls that were framed by the ELCA Mission Builders and volunteers. Seeing the excitement and joy on their faces is something I will never forget.

The joy continued for me that next Sunday when I helped Pastor Jorge confirm 22 young people. Again, I wish you could have seen in their faces and faces of their parents how important this service reaffirming their baptism meant to each one. Clearly God is moving hearts and lives through the good news of Jesus Christ that we share together through our partnership with Cristo Rey and the South Carolina Synod.

## Sunshine News : (Continued)

I am inviting you to join into what God is doing in our midst by praying and making a financial commitment to help finish building this sanctuary and to provide funds for future Latino ministry outreach across the state.

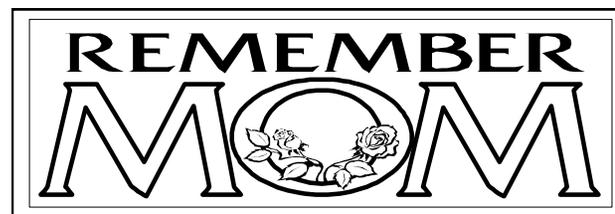

In John 10:10, Jesus said, “I have come that you may have life and have it more abundantly.” What Jesus is referring to here is the abundance of God’s grace that we all receive and the abundance of loving relationships through the body of Christ and with our neighbors around us. In a few weeks your congregation will join with other congregations in gathering a special, one-time love offering. Of each \$1.10 given, \$.80 will be used to finish the sanctuary of Cristo Rey, \$.20 will be used for new and ongoing Latino ministry (especially in the upstate) and \$.10 will be used to establish an endowment for Cristo Rey to help with future maintenance issues. Any and every size gift is appreciated.

Thank you for all the ways you share Christ’s abundance with others.

Bishop Herman Yoos

(This is not a budgeted item, but you can help Cristo Rey by placing loose offering in the offering plate, or by designating your gift for “Cristo Rey” on your offering envelope.)

## Financial Corner:

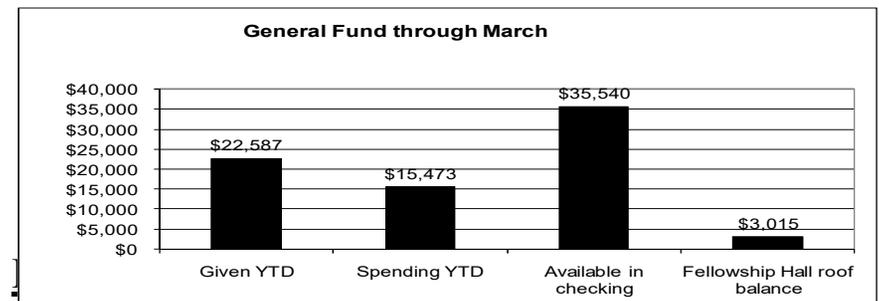

Well, to say that 2020 has been a most unusual year thus far would be a major understatement. With Covid-19 and the tornado and storm damage from this month, everything certainly seems inside out and upside down. When we ceased having worship at the church, naturally our offerings went down because we all thought this would be short lived and we'd be back in a few weeks and could catch up on our offerings then. However, the virus has been persistent and we have continued to worship apart. In this month, we began receiving offerings through the mail, dropped off at the church, and through the online giving program Tithely. Although there are actually some cost savings from not having our worship and other activities at our facilities (electricity, copy paper, supply pastors when Pastor Craig is away, etc.), there are also cost increases (postage, Zoom on-line meeting program, etc.) and other costs that are pretty constant (property insurance, utilities, salaries, State and Federal tax withholdings, maintenance, etc.) So, your offerings are very much appreciated and continue to be vital as we carry on the ministry of Good Shepherd through these difficult times.

Until next month, I really do hope to see you in church.

Kevin
