## From the Pastor :

Having lived in the Low Country now for 12 ½ years, I still delight in the long and beautiful spring of the south. Remember, I lived in Minnesota for 36 years where spring sometimes lasted all of two weeks. I can remember years of heavy snow in mid-April and even 4 inches of snow one Mother's Day. Of course, we never had the yellow snow season that we have here! But it's always amazing when the redbuds start blooming in February and then those glorious displays of color continue in various plants for months. There's something about that spring weather and all those colors that lifts our spirits and brings new hope. And this year, the recession of virus infections gives us even more encouragement that things may finally be getting better. It's been great to have our Lenten Tuesday night suppers and program. Those soups have been great! April 9<sup>th</sup> we'll hold an in-person Easter Egg hunt for our children. And in May the men's group is planning a BBQ.

Also, in April the worship committee and council will be loosening some of those covid restrictions. Masks will be optional as long as our infection rates continue at "low risk". I will still wear a mask when presiding at the communion table and serving just because some may still need that protection. Hopefully the weather will allow for me greeting people before and after church outdoors.

The one extreme downer to this spring is the horror of war happening in Ukraine. While we seem individually helpless, except to pray, the free world's leaders have shown remarkable support to that besieged nation. And our own Lutheran World Relief is on the scene with health kits and quilts. Our soup pot is

in the narthex for any monetary gifts you want us to channel to those relief efforts.

This will be my third Holy Week and Easter at Good Shepherd (much longer than a typical interim, but understandable given the circumstances). It will be my first time with lessened Covid concerns. I hope that will mean that we start to see more people comfortable with attending in person. I fear that the virus has created new habits that will be difficult to break. Worshiping via the internet has been an important device that we've used to get through this period and as a matter of course, we've learned that it will continue to be important for those who are shut-in or who are at a distance. But overall, I think we're stronger as a community when we can be together face to face. I welcome the return of coffee and snacks after church that invites us to stick around and catch up with one another. Without getting too fancy, I hope when it's your turn to provide treats, you'll come up with something that tempts us just short of what the devil would do!

Finally, I want to mention that after Easter Georgia and I will be off again on one of our adventures----this time to Mallorca, Spain and then on a Rhine River cruise. I feel badly at missing time with you; however, I also know that we aren't getting any younger and there are still places we want to visit while we can. We'll be joined for much of the time by our son and his husband. We count those family times as precious. As an added benefit, you continue to get exposure to other pastors in anticipation of that next person who will serve Good Shepherd. Enjoy your vacation from me!

*Pastor Craig*

## Jesus Comes to Jerusalem as King (Matthew 21 : 6 - 11)

6 The disciples went and did as Jesus had instructed them.

7 They brought the donkey and the colt and placed their cloaks on them for Jesus to sit on.

8 A very large crowd spread their cloaks on the road, while others cut branches from the trees and spread them on the road.

9 The crowds that went ahead of him and those that followed shouted, "Hosanna to the Son of David!" "Blessed is he who comes in the name of the Lord!" "Hosanna in the highest heaven!"

10 When Jesus entered Jerusalem, the whole city was stirred and asked, "Who is this?"

11 The crowds answered, "This is Jesus, the prophet from Nazareth in Galilee."

## **Financial Corner**

Financially, February was a good month. After the typical “slow” giving and spending month of January, giving was up in February allowing us to almost totally make up the January slump.

At their March meeting, church Council approved a meeting of the congregation on Sunday, April 3, following worship to approve spending on our parsonage repairs. Per our constitution, anytime we spend over 3% of our Spending Plan for Ministry on a project we have to get approval from the congregation, thus the reason for the meeting. I hope you can all be present that day to be involved in that important decision in the life of our church.

We’ve got a “new” lightly used copier/printer in the church office during February. The five-year lease on our old copier expired, and Mrs. Cherry Douglas at Lowcountry Office Solutions helped us locate a 2-year-old machine that is much more robust than our previous machine. What’s that got to do with finance, you may ask? Well, we locked into a new 5-year lease, on a much nicer machine, for the same money as our previous copier. In my book, that’s a win.

Thank you all so much for your continuing support of the ministry of Good Shepherd. As always, if you have questions concerning the finances of Good Shepherd, please give me a call. And, I hope to see you in person or on-line for church.

Kevin

## Call Committee update 03-20-2022

February and March have been busy months for your Call Committee. After receiving the name of our first candidate for pastor from Bishop Aebischer, the committee met several times to prepare for our first interview, opening each meeting in prayer asking God to lead us in our search for His next pastor for Good Shepherd. Following the interview, the committee members decided to return the name of this candidate to Bishop Ginny. The appropriate letters were written and a closeout conversation was had with the candidate. The members of the committee continue to meet for discussions and to pray that God's will be done through our efforts.

**Your Call Committee members are :** Angela Ferris, Shannon Guess, Kathie Whetsell, Rob Rusnak, Jon Carpenter and Kevin Wicker.

## The Lutheran Men in Mission of Good Shepherd

The Lutheran Men met on Sunday morning March 13, 2022. Breakfast was prepared by Kevin Wicker and Jon Carpenter presented an interesting devotional on the episode where Jesus washed his disciples' feet and how he took on the lowest of the low jobs to demonstrate service to others and that we should bear each other's burdens. He also discussed the implication that Jesus must have even done this for Judas his betrayer! Receiving comfort from God and family can help us all through difficult times.

The men continued planning for their spring BBQ event which will be held on Saturday May 14th (more on that to come-stay tuned)

Our next meeting will be On April 10th, Palm Sunday at 8 AM.

Rob Rusnak - Secretary
