### From Your Interim Pastor :

Independence Day is the genuine American patriotic holiday. In recent years many of our Christian communities have increasingly tried to tie Christian and patriotic themes together. How often have you heard the USA described as a "Christian Nation"? While historically we have been a religious nation, our founding fathers were "Deists" rather than Christian. There is no question that they saw faith as a pillar of American society. But having come from England and other parts of Europe to escape religious persecution, the founders were not about to tie America to any specific faith tradition. Even the words "under God" were not added to the Pledge of Allegiance until 1954.

Recently many church groups have tried to claim identification with American patriotism. Many politicians have seized on the "opportunity" to gain greater popularity by connecting with these faith groups, turning them into formidable voting blocks---and, at the same time casting their opponents as unbelieving clods. The most blatant has been by the far right GOP, using the language of Christian Nationalism (and not so subtly, leaning heavily toward WHITE Christian Nationalism). Nothing could be further from what the founding fathers intended.

Recently I saw an editorial cartoon that had 3 men talking. The first man said he was really upset at all the immigrants coming into the USA and all the accommodations we were being forced to make. The second man (also white) said we should send all the foreigners back where they came from. The third man, a Native American, asked the other two where they were from!

America was built as the land of the free and the home of the brave. Many who have come to this country have done so to

escape all manner of religious, ethnic, and political persecution. To be free requires that we respect the rights and opportunities of one another. It takes a certain level of maturity and bravery to confront the immense diversity of our country and seek to live together as free people.

What would Jesus say about being a person of faith and patriotic? In Matthew 22:15-22 Jesus is asked about loyalty. The Pharisees who asked were trying to get Jesus into trouble. But Jesus responds, "Give to Caesar the things that are Caesar's, and unto God the things that are God's." So we are citizens of a great nation, and it is appropriate for us to be supportive of our country. But we are also citizens of the Kingdom of God and loyalty is required there as well. To be honest, there will be times when we face real dilemmas. For example, those who were drafted for the military but objected to carrying a weapon faced difficult choices. One never knows when you'll be confronted with a conflict of loyalties.

At Good Shepherd there are two flags in front of the church. They are of equal height. The American flag reminds us of the blessings of our religious freedom. On the other side of the church is the Christian flag, symbolic of our loyalty to God. Thankfully they are mainly seen as compatible and certainly important enough to be displayed in the front of the church. They remind us of our dual loyalties to God and country.

You can also email your prayer requests: [thewickers@lowcountry.com](mailto:thewickers@lowcountry.com)

**Choir** is on break and will return in September.

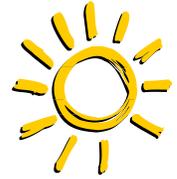

**Lutheroad registration** forms are now available. If your child attended Lutheroad in the past and is eligible to attend this year, a form was mailed to your child. Registration forms are also available on the church's website. The dates for Lutheroad Day Camp are July 18- 22, 2022 (Monday- Friday). With **Lutheroad** coming in July, there will be a **need for volunteers** to help in various support roles during the week of day camp. Some of these may include preparing snacks and lunches, helping with sign-in and sign-out each day, providing extra supervision as needed, as well as other tasks. There is a **sign-up sheet** in the narthex for volunteers. Please note that there will be **volunteer training on Saturday, July 9, at 10:00 am in conjunction with the Christian Education meeting**. ## Property Committee update

The carpentry contractor has completed that scope of work in the parsonage, and additional work by members and friends of Good Shepherd are underway. Thus far, we have spent, or have committed to, approximately \$10,500 for the parsonage project. If you'd like to support the parsonage repair project, you can do so by giving to the "Maintenance Fund."

- Thanks to Charles Rister for cutting the azaleas around the sanctuary.

## Financial Corner

At the South Carolina Synod Assembly that Diane, Pastor and I recently attended, I had this little epiphany that ***“Ministry shouldn’t be about Money, but it does take Money to do Ministry.”*** And while that thought is indeed true, it takes much more than money to do ministry. It takes “talents” in all forms to have a fully functional and live ministry of Christ; those things you do from noon on Sunday following worship through 10:00 a.m. the following Sunday morning. So, while the “Financial Corner” is about our church finances, I’d like to say **“Thank You”** so much for your continuing support of the ministry of Good Shepherd through the gift of all of your talents. Those gifts are priceless.

As always, if you have questions concerning the finances of Good Shepherd, please give me a call. And, I hope to see you in person or on-line for church.

Kevin
