## From Your Interim Pastor :

This past Father's Day my sermon, delivered beautifully by Cheryl Clayton, shared with you the difficult news that we have a growing clergy shortage in the ELCA. This is similar to the professional leadership issues facing many denominations. Our baby boomer pastors are retiring and the numbers coming up are far short of what we need. My own seminary class from Trinity Seminary in Columbus, Ohio was 66 new pastors in 1973. This year they graduated 8. As I encouraged you in my sermon, we all need to be praying that God will raise up more leaders among us, young people who can offer us 40 years or more of service and maybe 2<sup>nd</sup> career folks, who may provide fewer years but bring wisdom from past experience. We know God is faithful and will provide----but God works through our hands, so let's do what we can to identify and encourage the gifted among us.

At Synod Assembly in June, I was recognized for the 50<sup>th</sup> anniversary of my ordination. I'm very appreciative that Good Shepherd will be holding a dinner to honor the occasion on Sunday, July 9 (one day after my actual ordination date). Over the years I've served as Associate Pastor at Grace, St. Paul, MN 1973-1978, senior pastor of All Saints, Cottage Grove, MN 1978-1993, senior pastor of Christ the King, Mankato, MN 1993-95, ELCA Regional Coordinator for Ministry Leadership, St. Paul, MN 1995-2009. After retiring to South Carolina, I began serving as an assisting pastor at St. John's, Beaufort 2013-present and as interim pastor at Good Shepherd from 2019-present. Who would have thought I'd still be doing this after 50 years!

I have always had a lover's quarrel with the church. We are the body of Christ in the world, but we are far from perfect. I see it

in my own shortcomings as well as others. But two of my full-time calls followed clergy misconduct----a huge tragedy that damaged the faith of many. As Coordinator for Ministry Leadership, I got to see some of the very best of the church and also had to intervene assisting bishops in removing too many bad actors. While none of us is perfect, we don't need to go out of our way to prove it! Christ calls us to be our very best----and I think we can succeed in that when we support one another and call out the best we each can be. In celebrating on July 9<sup>th</sup>, I want to celebrate more than my 50 years of service----it has always been a partnership-----certainly with my wife, but also with lots of wonderful congregation members who have offered dedicated service and supported one another. Together we are the church.

*Pastor Craig*

## Property & Grounds

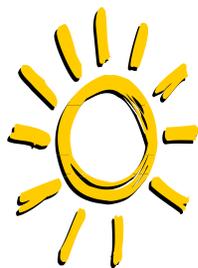

We hope you have had the opportunity to tour the parsonage if you would like. We made the parsonage available for members and friends after worship two Sundays during June. If you did not have the opportunity, and would like to, just let one of your Council members know, and they'll arrange a time for you to look around. The project took about 14 months, and cost about \$14,000, but we are proud of the results, and give thanks for everyone who helped make this possible.

In June, the congregation approved the installation of the new audio and streaming system for the sanctuary at a cost of \$20,000. The equipment has been ordered and the contractor will schedule the installation once the equipment arrives. The new system will provide sound amplification in the sanctuary, individual listening devices for those who need them during worship, and the means to stream and save our worship services to the internet. If you would like to financially support the new system, earmark your gifts for "**Sound System**" and they will be used to reimburse the money we borrow from the "**Wallace Estate Fund**" for the system.

## **Did You Know ?**

**The Declaration of Independence wasn't signed on July 4, 1776.**

On July 1, 1776, the Second Continental Congress met in Philadelphia, and on the following day, 12 of the 13 colonies voted in favor of Richard Henry Lee's motion for independence. The delegates then spent the next two days debating and revising the language of a statement drafted by Thomas Jefferson. On July 4, Congress officially adopted the Declaration of Independence, and as a result, the date is celebrated as Independence Day. Nearly a month would go by, however, before the actual signing of the document took place. First, New York's delegates didn't officially give their support until July 9 because their home assembly hadn't yet authorized them to vote in favor of independence. Next, it took two weeks for the Declaration to be "engrossed"—written on parchment in a clear hand. Most of the delegates signed on August 2, but several—Elbridge Gerry, Oliver Wolcott, Lewis Morris, Thomas McKean and Matthew Thornton—signed on a later date. (Two others, John Dickinson and Robert R. Livingston, never signed at all.) The signed parchment copy now resides at the National Archives in the Rotunda for the Charters of Freedom, alongside the Constitution and the Bill of Rights.

## Financial Corner

Good day from the **Financial Corner**. It's hard to believe that Doug Brinson has compiled and published the newsletter for **JULY!!** How can 2023 be half over already?!? And, suddenly we're smack dab in the middle of summer. And, with summer comes that dreaded "Summer Slump." You can help us avoid "the Slump" by practicing a good discipline of giving, keeping in mind that the expenses, ministries, and obligations of Good Shepherd continue even if you are enjoying some time away during the summer.

We have multiple ways of giving here at Good Shepherd. There is the act of placing your gifts in the offering plate at worship, in the secure drop box on the Fellowship Hall door, or electronic giving through the Tithely program that you can access through our website.

As always, if you have questions concerning the finances of Good Shepherd, please give me a call. And, I hope to see you in person or on-line for church.

Kevin
